

Moor Park (1958) Ltd BiteSize Update

Welcome to Moor Park (1958) Ltd, UPDATE Issue 56 – 26th November 2025

Farewell ...

Communications Director

This is issue 56 of the Moor Park 58 monthly newsletter and my last publication. At the end of November, I will be standing down as the Communications Director of MP58. Over the years, I have been a proud Moor Park resident and dedicated Board Member, facilitating various platforms which allowed the bonds that bring people in our community with like-minded interests to come together. For many years, I enjoyed being a proactive member of the Residents Association through which the notion of community has expanded. We now have a concept of collective effort and helpfulness. I am moving away from Moor Park, but I want to express my sincere gratitude for all the conversations, collaboration, and connections. It has been meaningful to be part of this community. Wishing you all the best moving forward.

Merchant Taylors' School - New Bursar

The current Bursar, Ian Williams, is leaving Merchant Taylors' School in December and we would like to introduce his successor, James Poynton.

'I am thrilled to have been appointed as the Bursar at Merchant Taylors'. I am heavily invested in seeing the school thrive and am impressed with how well the school is embedded into the wider community. I look forward to driving the school forward and building on the school's distinguished history.

Estate Managers report ...

Bins

Residents are reminded to promptly take their bins off the verges after they have been emptied. Pathways should be left clear for pedestrians. Please do not store your bins on the verges or footpaths. From a safety point of view, bins left out all day indicate no one is at home, leaving the house vulnerable to opportunistic thieves.

MP58 Estate Management WhatsApp Group

A few months ago, MP58 launched a new WhatsApp group to focus on Estate Management. The purpose of the new group is to enhance communication between the Estate office and Residents.
